June 27, 2022

Associate Vice Chancellor Judith Estrada
Student Diversity and Inclusion Program (SDIP)
Office of Diversity, Equity and Inclusion

Re: Equity in Mental Health Funding Allocation

Dear Judith,

I am writing to confirm the one-time allocation that will be made to the Office of Diversity, Equity and Inclusion in response to your proposal to the Equity in Mental Health funding call. Thank you for your time and engagement with the proposal process. As communicated to you in mid-Spring Quarter 2022, a one-time allocation has been made for The Roots of Traditional Foods and Cultural Practices: Connecting to the Land for Health and Wellness (TRTFCP), and this letter is to notify you of the details of the allocation as well as next steps.

Background:

Health equity is the ability for everyone to have a fair and just opportunity to thrive and be well. This includes removing systemic barriers as described by the social determinants of health, a set of conditions in which people are born, grow, work, live and age that influence health inequities. Given the direct link between student wellness and academic success, student mental health support serves is integral in reaching the university's goals of producing more degrees and eliminating gaps. UC invited all stakeholders to develop programs and services to meet student's needs by ensuring each campus provides prevention, early intervention, treatment and recovery services via the Equity in Mental Health Funding Plan.

The University of California has developed an [Equity in Mental Health Funding Plan](#), which supports universal prevention, early intervention, and treatment services for students. The plan uses an allocation methodology that takes into account the base level of support required at each campus, an Equity Index (i.e., accounting for the mental health needs of underrepresented and food- and housing-insecure students) and enrollment levels.

The monies for the Equity in Mental Health Funding initiative were made available via The Budget Act of 2021 (California Assembly Bill 128), which includes \$15 million in ongoing funds to address student mental health needs at the University of California.

UCSC was allocated the following funding amounts for the initiative:

- Campus Baseline Prevention and Early Intervention (Tier III): \$450,000
- Collaborative Wellbeing Programs (Tier II): \$398,000
- Holistic Treatment and Recovery (Tier I): \$342,000
- TOTAL: \$1,190,000

Proposal Process:

Per the directive from UCOP, an advisory committee was created and comprised of “chief diversity officers, student health directors, counseling and psychological services directors, health promotion directors, recreation directors, housing directors, basic needs managers, care directors, students, faculty and other staff”, to help advise on how the campus would invest the new fund source. The role of the committee was to develop a rubric to review and evaluate funding proposals, initiate a funding call to eligible units, assess submitted proposals, and to make recommendations that were approved by Chancellor Larive, former interim Vice Chancellor for Student Affairs Baszile, and Associate Vice Chancellor Register (Budget, Analysis, and Planning).

The committee has completed its work, the recommendations were approved at a campus level and UCOP level. Following the disbursement of on-going funds, the committee determined that there were sufficient one-time funds to make additional allocation of one-time funds. The SDIP program will receive one-time funds in response to its proposal.

Allocation:

The following allocation will be made to ODEI/SDIP. Funding will be transferred on a one-time basis. Please contact Director Denise Ilarina when you are ready to discuss the transfer of funds for FY 23 to your unit’s operating budget.

Summary of Funding Commitment:

SDIP - The Roots of Traditional Foods and Cultural Practices: Connecting to the Land for Health and Wellness (TRTFCP)

Effective	Description	One-time	Tier
FY23	Coordinator Staff ¹ , Student Interns, Programming and Supplies and Expense	\$67,846.00	II & III
	Total	\$67,846.00	

Tier 1: Holistic Treatment and Recovery

Tier 2: Early Intervention and Collaborative Well-being Programs

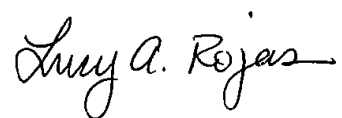

Tier 3: Comprehensive Universal Prevention and Wellness Programs

If you have any questions, please do not hesitate to contact Director Ilarina (dtoni@ucsc.edu) or Assistant Vice Chancellor and Chief of Staff Lucy Rojas (larojas@ucsc.edu, 831-239-9330).

Thank you again for your engagement in—and contributions to—the campus's efforts to improve equity in mental health services and outcomes for our students.

¹ Please note that the Equity in Mental Health Funds do not participate in the central campus salary program or benefits pool, therefore any costs for employee salary and benefits must be contained within the allocation which has been granted.

Sincerely,

A handwritten signature in black ink that reads "Lucy A. Rojas". The signature is written in a cursive style with a prominent dot over the 'i' in "Rojas".

Lucy A. Rojas
Assistant Vice Chancellor and Chief of Staff
